WHO WE ARE

35+ Years of Trust.
Built on Quality, Experience
& Commitment.

Established in 1991, Halima Trading L.L.C. has become one of Abu Dhabi's trusted names in air conditioning and home appliance solutions. For over three decades, we have proudly **served corporate clients**, ADNOC-related organizations, corporate clients, contractors, hospitality businesses, and residential customers with genuine products from globally recognized brands.

Built on a foundation of trust, quality, and long-term relationships, we remain committed to delivering reliable solutions, competitive value, and exceptional customer service.

VISION

To be a leading supplier of air conditioning and home appliance solutions, recognized for trust, quality, and customer satisfaction across the UAE.

MISSION

To deliver high-quality products from globally recognized brands while building lasting partnerships through integrity, professional service, and dependable solutions.
